ORDER EXTENDING DISCOVERY
DEADLINES

Order Extending Discovery Deadlines

This Court finds need to change the discovery deadlines in order to fit within the current posture of the case. It is noted that a First Amended Complaint was filed on April 12, 2018, in Dkt. 82 with this Court. It is also noted that at the time of this Order named defendants have yet to file and serve an Answer to the First Amended Complaint.

These discovery deadlines were first proposed in a joint status report regarding discovery

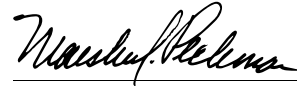

1 in Dkt. 90. The joint status report identifies that Plaintiff suggested the deadlines, and that
2 Defendants did not object.
